| ▪ GIT, Cypress          |                      |                      |

EXPERIENCE

***YEWS – Your Easy Web Solutions - Web Developer / Web Designer (May 2024 – Present)***

At YEWS, I design and optimize websites, implement strategies to improve online visibility, and deliver high-quality digital solutions. I focus on creating user-friendly experiences that support brand growth through effective design and technology.

- |              |                      |
|--------------|----------------------|
| ▪ Web Design | ▪ WordPress, Shopify |
| ▪ SEO        | ▪ Adobe              |

***PPD – ThermoFisher Scientific – Business Technology Developer (May 2023 – Present)***

As a Business Technology Developer, I developed and maintained web applications while ensuring scalable and high-quality solutions. I also contributed to process documentation to enhance team efficiency and clarity.

- |                 |                 |
|-----------------|-----------------|
| ▪ React, JQuery | ▪ AWS           |
| ▪ PHP, Laravel  | ▪ Azure DevOps  |
| ▪ Docker        | ▪ Documentation |
| ▪ Cypress       |                 |

***Setup Phils. Inc. – Web Developer / Software Developer (Nov 2022 – May 2023)***

In my previous role, I developed and maintained their business process, focusing on functionality of API’s. I have a chance to be involved in one of their project to expand my knowledge in using such popular technologies.

- |                      |                |
|----------------------|----------------|
| ▪ WordPress          | ▪ PHP, Laravel |
| ▪ React, Vue, JQuery |                |

***Night Birds Solutions – Web Developer (Nov 2018 – June 2019)***

In my first role, I focused on building and optimizing websites to enhance user experience and drive business growth. I was responsible for delivering seamless, high-quality web solutions tailored to client needs.

- |             |                |
|-------------|----------------|
| ▪ WordPress | ▪ ClickFunnels |
| ▪ Shopify   | ▪ JQuery       |

EDUCATION

**State University of Northern Negros – BSIT (June 2014 – April 2018)**

The **State University of Northern Negros (SUNN)**, formerly **Northern Negros State College of Science and Technology**
