

RAYMUND HERMOSO

Web Developer · WordPress & Shopify Specialist

raymund-hermoso.vercel.app • raymundhermoso.dev@gmail.com • +63 976 457 5192 / +63 938 699 7571

PROFILE

Web Developer with 6 years of experience building fast, reliable, user-focused websites and web applications. Specializes in WordPress and Shopify — custom themes, plugins, and e-commerce builds — with hands-on experience in React, Vue, and Laravel for custom work. Comfortable across Agile delivery, CI/CD, REST API integration, and SEO, with a knack for turning messy requirements into clean, maintainable solutions that ship.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, React, Vue, jQuery, Bootstrap, Tailwind

Backend: PHP, Laravel, Node.js

Databases: MySQL, MongoDB

CMS & Design: WordPress, Shopify, ACF, Adobe XD, Photoshop, Figma, ClickFunnels

DevOps & Tools: Git, Docker, Cypress, AWS, Azure DevOps

Other: REST APIs, SEO, Agile, CI/CD, Cross-Browser Testing

PROFESSIONAL EXPERIENCE

Ignition Consulting

Shopify / WordPress Developer (Part-Time) | Jun 2025 – Present

- Design and develop tailored Shopify and WordPress websites for clients.
- Build fast, future-proof sites focused on increasing sales and attracting customers.

ThermoFisher Scientific – PPD

Business Technology Developer | May 2023 – Jun 2025

- Built internal tools with React and Laravel that reduced process time by 60%.
- Designed and maintained CI/CD pipelines using Docker and Azure DevOps.
- Wrote Cypress and PHPUnit tests to ensure software reliability, and supported onboarding of new developers.

YEWS – Your Easy Web Solutions

Web Developer / Web Designer | May 2024 – Jan 2025

- Built responsive WordPress and Shopify sites for an Australian marketing agency, improving performance and load times.
- Applied SEO best practices that increased organic site traffic by 40%.
- Designed UI/UX assets in Adobe tools to support branding and marketing goals.

Setup Phils. Inc.

Web Developer / Software Developer | Nov 2021 – May 2023

- Maintained and extended internal business applications using Laravel and Vue.js.
- Improved API performance for WordPress-based projects.
- Collaborated with cross-functional teammates to ensure API functionality and system integration.

Night Birds Solutions

Web Developer | Nov 2018 – Jun 2019

- Developed e-commerce websites on Shopify and WordPress for international clients.
- Built conversion-focused landing pages with ClickFunnels.
- Customized themes and plugins to optimize performance and user experience.
